Valerie,  
None of those dates work for us, with the possible exception of Thurs 4/6. The last week of 3/06 is Spring break & many people will be gone. It crucial that Jennifer Peterson from DEQ attend the ERA mtg, & she works Mon, Tues, Wed, & part of Thurs. It would be my strong preference not to schedule the ERA mtgs on any Thurs or Fri...., but rather Mon, Tues, or Wed.

Subject: upcoming Ecorisk meeting

Hi all -

After further consultation with the LWG ecorsik team, April 4 is not the ideal date for the meeting on the framework. Instead, I would like to suggest March 30 or April 6, or April 7.

Please get back to me as soon as you can concerning availability on these dates!

Thanks  
Valerie
